

Illinois Capacitor Product Change Notification

Issue Date: June 1, 2020

Series Affected: MPH, MPW, MWR, MWS, PHB, PHC, PMB, PMC, PPA, PPB, PPR, PPS, PSB – Only parts with Country of Origin - Italy.

Effective Date: Q3 2020

Description of change:

All of the electrical and mechanical parameters will remain the same as published in the Illinois Capacitor series specification sheets.

New production of Cornell Dubilier's, Illinois Capacitor brand of products outlined above will be moved to new production facilities in Asia. Current production schedules in Italy will be completed in Q3 and Q4 of 2020.

For box construction product the color of the box and epoxy will be changed as part of this PCN.

Reason for the change:

Additional production capacity. Improved delivery.

Additional support for harsh environment applications. Implement newer technology production processes.

Effective Date:

Note: Parts listed herein, bearing date codes of 2028 [year (20) week (28)] and beyond, may be manufactured in new production facilities.
