

Date: October 27, 2010

Attention: Valued Customers

Subject: **Product Discontinuation Notice –
Type SKA Miniature Axial Leaded Aluminum Electrolytic Capacitors**

This letter is to confirm that Cornell Dubilier Electronics is discontinuing type SKA axial leaded aluminum electrolytic capacitor product line. In accordance with Cornell Dubilier's product discontinuation policy, we are hereby giving notice of these product changes in order for your company to adjust its product purchasing records, or to make any final purchases of the discontinued products that are still in supply. This notice applies to all Cornell Dubilier's customers and distributors.

The market value has diminished to the level that it is no longer economical to produce this series.

Cornell Dubilier will accept product for return for a period not to exceed three (3) months after this written notice, subject to the conditions stated under inventory adjustments. Any product not returned within the above stated period will not be accepted for return by Cornell Dubilier. For your reference, attached is a list of the discontinued part numbers.

Last Time Buy Conditions

We request that you carefully review this information and notify your purchasing offices and buyers to place your company's final purchases for available discontinued products as soon as possible according to the following last time buy terms and conditions.

Final orders will be shipped within standard lead-time. We would like to caution you not to wait until the last moment for placing your final order(s) as product may be limited in availability. Orders for these products will be non-cancelable and non-returnable.

The last date to order this product is December 23, 2010 with final delivery on or before March 2011.

Last Time Buy Date: December 23, 2010

Final Ship Date: March 2011

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to contact:
