

# Product Discontinuation Notice - Solid Polymer Line, SPA Series

Date: June 23, 2010

This letter is to confirm to your company that Cornell Dubilier Electronics is discontinuing some of the Solid Polymer product line, those being the SPA series. In accordance with Cornell Dubilier's product discontinuation policy, we are hereby giving notice of these product changes in order for your company to adjust its product purchasing records, or to make any final purchases of the discontinued products that are still in supply.

This notice only applies to all Cornell Dubilier's customers and distributors.

We are unable to provide this typed product as it has been replaced by another indirect replacement series, [SPSX](#) ([SPCX](#)), which is immediately available from inventory and launched back in July 2009. The replacement [SPSX](#) series is made with newer technology, providing better electrical performance. Some deviations will be case size (difference in height) and ESR rating. The termination material on the [SPSX](#): matte Sn Finish + Cu, [SPCX](#): matte Sn finish + SE.

Due to the decision made to discontinue this product, Cornell Dubilier will accept product for return for a period not to exceed three (3) months after this written notice, subject to the conditions stated under inventory adjustments. Any product not returned within the above stated period will not be accepted for return by Cornell Dubilier.
